
Makerere university lunch time activities

KATAMBA
SAMUEL—14/U/23285/PS

1 Type of data to be collected

2 Activities that done during lunch time

- Eating Lunch
- Relaxing
- Visiting friends
- Fellowship
- Going back to hostel/home/hall of residence

3 Problems encountered

- Even though lunch time is a free time to students, it was hard to get students for the interview because they were excusing themselves for having lunch
- Student felt uncomfortable taking photos of themselves having lunch during the interview
- It was hard to interview people having fellowship because to them it was a destruction to the faith.
- Much of the data collected was not at the place intended place like the eating place
